GUARANTEES IN UNITED KINGDOM

ROAD ASSISTANCE FOR Breakdown, accident, fire, finding after theft, attempted theft.

If the vehicle is immobilised following a break down and it's unable to march independently, the Alarm Centre (open *24 hours a day, 365 days per year*) will organise for the vehicle to be towed to the nearest garage capable of making necessary repairs, an authorised garage for group MV Agusta, if present within a limit of 100 km (60 miles) or the nearest garage able to repair it on the spot or possibly to make little changes that will allow the vehicle to resume driving autonomously. Costs for spare parts used for on the spot assistance or for any other materials and repair costs are payable by the Insured Party.

Costs of daily deposit are payable by the Company up to a maximum of five working days.

Costs for assistance if the breakdown occurs off the public road network or equivalent areas (off-road circuits) are at the expense of the Insured Party. This provision also includes cases of perforation or rupture of one or more tires, loss, theft and damage of keys, battery, run out of fuel and misfuelling.

Hotel expenses

If as a result of total or partial theft, breakdown, accident, fire, the car remains immovable beyond 50 kilometers of the residence of the Insured Party and the vehicle is immobilised for more than 8 hours due to the necessary repairs, causing the passengers to make an unforeseen stop for one or more nights, the Alarm Centre will organise and the Company will pay expenses for accommodation (bed and breakfast) up to a maximum of € 500.00 per event and whatever the number of people involved. Any other costs remain at the expense of the Insured Party.

Return travel of the passengers or travel continuation

If the vehicle is unusable, beyond 50 km (30 miles) of the Insured Party's residence, following breakdown, accident or fire and requires more than eight hours to carry out the necessary repairs that will be certified by the foreman, according to the time schedules of the manufacturer, or in the event of total vehicle's theft, the Alarm Centre will provide the Insured Party and his/her passengers with alternative means of transport for a return home (residence of the Insured Party) or alternatively, to the place of destination originally intended. The return travel or travel continuation will be made, at the discretion of the Alarm Centre, tourist class airfares if the journey exceeds 500 km, or 1st class train travel, or the possibility of renting a car.

The company will bear the following costs:

- cost of airline tickets up to a maximum of € 774.00 per claim, regardless of the number of people involved;

- cost of train tickets up to a maximum of € 300.00 per claim, whatever the number of people involved;
- cost of a replacement rental car with unlimited mileage, for a maximum of twenty four (24) hours.

It is stated exactly that:

- in case of total theft of the vehicle, the service operates upon presentation of a copy of the complaint submitted to the competent authorities of the place, to the Alarm Centre;
- expenses paid by the Company are exclusively the tickets for the trip of the Insured Party and possible passengers;
- the time required to find for the breakdown cause and for the procurement of spare parts is not considered in the calculation of hours of actual labor;
- service is not provided in the event of immobilisation of the vehicle for the conduct of scheduled check up and in case of recall campaign;
- service is not provided if the Insured Party has already requested the service "Hotel costs".

RETRIEVAL of the repaired VEHICLE

If as a result of breakdown, accident, fire, theft or discovery after being stolen, the motor vehicle remains immovable beyond 50 km (30 miles) of the Insured Party's residence and repairs require more than 8 hours (certified by the foreman of the center MV Agusta) and the Insured Party has benefited from the service "RETURN TRAVEL OF THE PASSENGERS OR TRAVEL CONTINUATION" the Alarm Centre will provide the Insured Party with a one-way ticket, so as to be able to fetch the vehicle retrieval once it is repaired:

- tourist class airfares when traveling for more than 500 km, within the limit of € 774.00 per claim;
- 1st class train travel, within the limit of € 300.00 per claim.

It is stated exactly that:

- the time needed to find the breakdown cause and for the procurement of spare parts is not considered in the calculation of the actual labor hours;
- service is not provided in the event of immobilisation of the vehicle for the conduct of scheduled check up and in case of recall campaign;
- expenses paid by the Company are exclusively those of the ticket for personal travel of the Insured Party.

Automotive Information

In the event of a claim, the Insured Party can require information from the Alarm Centre regarding the following subjects:

- Support network agreed upon with the manufacturers
- Support network for tires repairs;
- Traffic information relating to the **UNITED KINGDOM** motorway network;
- Fueling stations of the **UNITED KINGDOM** motorway network.

ASSISTANCE ABROAD

Vehicle Repatriation

If as a result of breakdown, accident, fire, theft, attempted / partial or total theft after the discovery, the insured vehicle is damaged in such a way that does not allow with the continuation of the journey and it remains immobilised for a period exceeding 3 (three) working days, the Company will arrange for the vehicle repatriation, only in Italy, up to a garage designated by the Insured Party and will bear the costs of transport (from the time of the notification to the Alarm Centre) within the limit of € 1,000.00 per claim.

The Company will arrange for repatriation of the vehicle after making contact with the staff of the workshop in order to ascertain the actual condition of the same.

The Company takes no responsibility for any acts of vandalism, theft of vehicle parts and accessories, any further damage by third parties during the immobilization and pending repatriation operations.

In case of total theft, the Company may require the Insured Party a copy of the minutes of the discovery of the vehicle issued by the local competent authorities.

Advance of penal fees abroad

If the Insured Party, as a result of an accident, is detained and / or is arrested for incidental or fortuitous offenses or for fortuitous and not malicious violations of local laws and regulations in force, the Alarm Centre will find a lawyer for legal defense on the site and will advance the amount needed for legal expenses up to a limit of € 2,600.00 on receipt of bank guarantees deemed adequate by the Alarm Centre.

The Insured Party must return the amount paid in advance within thirty (30) days after the release of the same, after this period the Company may also request the related interest rates.

Fees and any other expenses will be borne by the Insured Party.

Advance of penal bail abroad

If as a result of road traffic accident abroad the Insured Party is in a state of detention, arrest or threat of arrest, and is required to pay a penal bail to be temporary released, the company will advance the money needed abroad up to a amount of € 2,600.00 on receipt of bank guarantees deemed adequate by the Alarm Centre.

Since this amount is only an anticipation, the Insured Party must first designate a person who put the same amount in the same layout on an appropriate bank account to the Company. If the bail is reimbursed by the local authorities, the same shall be returned immediately to the Company which, in turn, will dissolve the bond above. In case of conviction, that sum must be returned within 15 days following the enforceable conviction. In any case, the amount paid in advance must be refunded within 3 (three) months from the date of disbursement; after this period the Company may also request the relevant interest rates. This warranty is not valid for events resulting from the trade and trafficking of drugs or narcotics, crimes against the person, as well as participation of the insured in political, demonstration, sports or events not related to the fulfillment of professional activity or tourism.

Despatch of spare parts abroad

If the vehicle is abroad and is immobilized following a breakdown, accident, fire, partial theft, finding after total theft, the Alarm Centre will find and send any spare parts which are necessary for the vehicle's repair, if they are unavailable in the area where the breakdown or accident occurred and the Company will pay for the relative transport costs. All costs relating to the purchase of spare parts, including any customs and excise charges, remain payable by the Insured Party. The service is valid only for the parts available from the official dealer network of the manufacturer. The service is not operative in the event that the Insured Party does not give adequate guarantee of payment for spare parts and customs fees.
